of subscription, can be forwarded at any

ing of any Agent which you had in this part

at he is at this time in the upper part of the State  
unwilling for Congress.

Politics - The Democratic Republican party in  
Missouri, if any thing, are more enthusiastic in the  
support of the Veteran of New Orleans, since  
the Calhouning of Van Buren, than they were before.  
The unnatural and reckless coalition which has  
been formed in the Senate of the United States  
for the purpose of thwarting the views of the Presi-  
dent, and holding him at bay in his own pro-  
cess, has excited the just indignation of the people  
and rallied them with redoubled ardor to the  
banner of their ~~old~~ old Chief.

We are all very much gratified at the Nomin-  
ation made by the Baltimore Convention. Be-  
assured Sir, that the People of Missouri will  
never lack the torch of ignominy which has  
been hurled at Martin Van Buren through  
the Senate of the U. S. - Upon the head of those  
whose distempered paucis produced it.

Private  
You are wrong in depending Buckner. He  
is the mere Scotch Paw a Sai-desant Jacksonian  
Clay party in this State, consisting of double-faced  
double-sexed, sea-saw, heremaphrodite politicians  
who are leagued together for the purpose of pro-  
tracting Col. Benton and Governor Miller.

Ashley is not much better. He will be bea-  
ten at least 3000 votes by Col Birch, if  
we can only get Wells out of the way. Benton  
is certain. It is <sup>by our friends here</sup> sincerely hoped that  
the President will veto the Bank if it is put  
before Congress. The President

should be ware of making a confidant of Buck-  
ner he is as treacherous as <sup>the Lodi</sup> Duff Green, and corresponds  
weekly with Clay journals in St. Louis. Let  
Grotter give it to him - he deserves it. - Excuse  
this intursion of a stranger, who has the honor to be

Very Respectfully  
Your friend &c.
